

**AMENDMENTS TO THE DRAWINGS:**

Please amend the drawings as follows:

Please delete Fig 5.

**REMARKS**

In the Office Action dated January 18, 2006, the Examiner indicated that Fig. 5 was illegible. Applicants have deleted Fig. 5 and reference to Fig. 5 in the specification on page 3. Applicants submit herewith replacement drawings in compliance with 37 C.F.R. § 1.121 (d).

Applicants have also deleted the drawings in the original application on pages 32-37, as required by the Examiner.

Applicants noted that the references to the figures in the Brief Description of the Drawings, as amended on May 26, 1993, did not specifically refer to Figures 2A, 2B, 4A, or 4B. **After consultation with the Examiner**, the requested amendment is submitted to clarify the reference to the figures.

Each of the requested amendments is fully supported by the specification and drawings, will not require an additional search, and does not raise new issues. Therefore, applicants respectfully request that this Amendment be entered and the requested changes made.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
